CORPORATION OF CALCUTTA.

The following proposed amended hackney carriage bye-laws are published under section 53 (4) of the Calcutta Hackney Carriage Act of 1891 for general information:—

(a) FIRST CLASS.

1. First class hackney carriage licenses shall only be granted for comfortable, roomy, clean, easy-running vehicles of a description superior in all respects to second class carriages. They may be of any approved pattern, such as broughams, landaus, phaetons, office jauns, etc., etc. Each carriage must have a thoroughly good pair of lamps.

2. No carriage, drawn by a pair of horses, shall be licensed in the first class unless both animals are fit for their work and at least 14·2 hands high, and none drawn by a single horse unless the animal is fit for its work and at least 15 hands high.

(b) SECOND CLASS.

1. No carriage shall receive a second class license unless it be in a thoroughly fit and proper condition.

2. If it be of the kind known as "palki gharry" or "brownberry," it shall conform to the following dimensions:—

	Inches.
Breadth of carriage inside	36
Depth of seat	18
Width of well of carriage between cushions	24
Height of roof	40

3. The springs and the axles must be of thoroughly sound manufacture, all the iron-work strongly put together, and the carriage must have a good pair of lamps.

4. No carriage drawn by a pair of horses shall be licensed in the second class unless both animals are fit for their work and at least 13 hands high, and none drawn by a single horse unless the animal is fit for its work and at least 14 hands high.

(c) THIRD CLASS.

1. No carriage shall receive a third class license unless it be in a clean and safe condition, have sufficient room inside to seat four persons, and have stout axles, springs and wheels, and a good pair of lamps.

2. When drawn by a pair of ponies, each pony must be in a fit condition and at least 12 hands high. When drawn by a single pony, the animal must be fit and at least 13-2 hands high.

(d) GENERAL.

1. No animal shall be deemed fit for its work unless it is so in respect of height, bone, muscle and condition, and equal to the work of drawing the carriage.

2. Harness must be of good description and strong. No chain or rope traces, unless they be covered with leather, and no string fastenings will be allowed.

3. Every carriage of all three classes shall have a plate affixed in some conspicuous part of the outside of the carriage specifying the class, the number of each class in the register and the number of persons it is licensed to carry. A second class carriage shall also bear the owner's name printed on some conspicuous part of the outside of the carriage. Each class of conveyance shall be painted a distinctive colour, namely, first class yellow, second class blue, third class chocolate, and the wheels and the body of the carriage shall be of the same colour. Every carriage shall be distinctly marked on its panels with the number of the class to which it belongs, the figures to be not less than 6 inches in length resembling the marking of Railway carriages. This bye-law shall not apply to carriages already on the register until after the expiration of one year from the 1st of October 1902. The lamps of every carriage shall have the register number of the carriage painted on them.

4. It shall be the duty of the Registering Officer upon receiving proper information or complaint in writing that any horse or vehicle licensed under the Hackney Carriage Act is unfit for use, to send for the same, and if after due enquiry he be satisfied of such unfitness, he shall, by written order, suspend the working of such horse and vehicle for a period not exceeding one month, after which period he shall again examine the horse or vehicle.

It shall be obligatory on the owner to produce within 24 hours any horse or vehicle so sent for.

5. Every person applying for a driver's license must be acquainted with the principal places and streets in and around Calcutta, and have a thorough knowledge of the rates and fares in the Schedule.

6. No new driver shall be licensed unless he be in all respects a fit person for such employment.

7. A book of fares shall be prepared and printed under the authority of the Commissioners, shewing distances and fares from various centres. A copy of this book of fares shall be given to the owner of a hackney carriage at the time of the delivery of the license, and on demand shall be shown by the driver to any fare asking for it. An abstract of the distances and fares printed on enamelled plates shall be affixed under the orders of the Registering Officer in a conspicuous place in each hackney carriage after such carriage has been licensed.

8. Each driver and syce must be properly dressed in clean uniform, the head-dress being of the same colour as the class of carriage.

9. The owner shall be responsible that every first, second class and third class carriage when plying, or when on hire, shall have a licensed driver as coachman.

10. Every driver, when giving up service or leaving Calcutta, shall deposit his license and ticket at the Registry Office, to be returned to him on application before resuming work.

11. Every place, where any hackney carriage or horse is kept, shall be open to the inspection of the officers of the Department at any hour of the day or night.
